

Terrorist Attack

Do's

- ✓ Stay calm; do not panic.
- ✓ If the fire alarm is used to alert building occupants, evacuate in the same manner as for a normal fire evacuation.
- ✓ Closely follow the instructions and directions given by the building management.
- ✓ Bring only what is necessary (e.g. medication and personal identification documents). Do not pack too many personal belongings.
- ✓ Walk quickly without running. Help the elderly, the young and the disabled along the way.
- ✓ Keep the streets and walkways clear for emergency vehicles and crew.
- ✓ Conduct a head-count at the assembly area.
- ✓ Call a relative or friend at the earliest opportunity to let him/her know that you are safe.

Don'ts

- Do not use the lifts as you could get trapped in them.
- Do not prop open any fire doors.
- Do not use portable radios or cell phones.
- Do not operate any electrical equipment.
- Do not spread rumours.
